Special Zone

International Zone

International companies enthusiastic about expanding their business in Japan will exhibit their manufacturing technologies, products, and more. Use this opportunity to discover business opportunities with international companies and gather information. (Companies from India, Thailand, Mongolia, China, and more are expected to exhibit.)

What's more, new Booths for Companies Invited by Tokyo Metropolitan Government, for foreign companies the Tokyo Metropolitan Government has invited into the metropolis to set up their business, will be there this year! 10 international companies who are looking to form partnerships with Japanese companies will be there. Don't miss out!

Simultaneous Ceremony

Award Ceremony for Going-Global Innovations Competition

November. 14 (Wed.) 10:30-11:10

The Going-Global Innovations Competition awards ceremony will be held. The ceremony is held to honor innovative and promising products, technologies, and services, and to spread the word about them both in and outside Japan. The award-winning companies will also have exhibition booths in the venue.

Ms. Yuriko Koike

National Food Industry Fair

Local products from all over Japan, gathered in one place

This year, with "food" as the theme, companies and organizations from all around Japan selling excellent local specialties will join the exhibition. Enticing products from far and wide await your visit.
